

THE 5TH ANNUAL RUN AT THEMOUNDS

THIS YEARS RACE WILL BE RUN ON TUESDAY SEPTEMBER 9TH BEGINNING AT 5:00 PM AT ANGEL MOUNDS. THIS WILL BE OUR FIRST USE OF THE NEWLY DESIGNED COURSE TO BE USED BY MIDDLES SCHOOLS, HIGH SCHOOLS AND UNIVERSITIES.

Last year 21 schools participated bringing 575 middle school boys and girls to run in this great event.

All our workers are volunteers so the money we raise goes to the kids in some form of service or goods. Each runner and volunteer gets a tee shirt with our sponsors name on the back. Last year we gave out 700 shirts.

The last three years we have used our race to raise money for the Leukemia & Lymphoma Society. These blood cancers are the leading cause by sickness of death for young people under the age of 20. Last year at race time there were more than 100 young people in Vanderburgh County and another 30+ in Warrick County suffering with these diseases?

LAST YEARS RACE PLUSE FUND RAISING ACTIVIES BY THE HOST SCHOOL PLAZA PARK INTERNATIONAL ACADEMY ALLOWED A DONATION OF \$6000 TO BE MADE TO THE LLS.

Our community has been a great supporter of this event. WE have had good coverage from radio (Live coverage of the event on race day), strong coverage by the Evansville Courier & Press (Front Page of Sports and Top Banner of front page of paper) and Great coverage by local TV stations.

As usual, we invite our sponsors to come on race day and set up booths/tables and displays if they wish to. In addition we give out about 700 goodie bags with offers and other items you might want to get in the hands of our runners and volunteers. Our overall crowd size is in the area of 1200 to 1500.
